

## **CLAIM AMENDMENTS**

### **Claim Amendment Summary**

#### **Claims pending**

- 5           • At time of the Action: Claims 1-3, 7-9, and 13-15.  
          • After this Response: Claims 1-3, 7-9, and 13-15.

**Canceled or Withdrawn claims:** none.

**Amended claims:** 1 and 7.

**New claims:** none.

10

- 
1.    **(CURRENTLY AMENDED)**    A method for facilitating the ease of handling and exchange of digital images, the method comprising:
- 15       obtaining a set of multiple digital images, wherein one or more of the images of the set of multiple digital images have a digital-image format that differs from the digital-image format of one or more of the other images of the set of multiple images;
- facilitating selection of images from the set, wherein one or more of the
- 20    selected images have a digital-image format that differs from the digital-image format of one or more of the other selected images;
- choosing computer-executable instructions for viewing selected images, wherein the chosen computer-executable instructions facilitate ~~instruction facilitates~~ viewing of selected images in each of the differing digital-image
- 25    formats of the selected images;

collecting the selected images into a self-contained album, wherein the album comprises the selected images and the chosen computer-executable instructions for viewing the selected images.

5           2.    **(ORIGINAL)**    A method as recited in claim 1 further comprising transmitting the album over a communications network.

          3.    **(ORIGINAL)**    A method as recited in claim 1 further comprising:  
10           attaching the album to an email message;  
          transmitting the email message over a communications network.

          4.    **(CANCELLED)**

15          5.    **(CANCELLED)**

          6.    **(CANCELLED)**

          7.    **(CURRENTLY AMENDED)**    A method for generating a  
20   self-contained album of digital images, the method comprising:

          inserting images into an album, wherein one or more of the inserted images have a digital-image format that differs from the digital-image format of one or more of the other inserted images;

          choosing computer-executable instructions for viewing inserted images,  
25   wherein the chosen computer-executable instructions facilitate ~~instruction facilitates~~ viewing of inserted images in each of the differing digital-image formats of the inserted images;

inserting the chosen computer-executable instructions into the album.

8. (ORIGINAL) A method as recited in claim 7 further comprising transmitting the album over a communications network.

5

9. (ORIGINAL) A method as recited in claim 7 further comprising:

attaching the album to an email message;

transmitting the email message over a communications network.

10. (CANCELLED)

11. (CANCELLED)

15

12. (CANCELLED)

13. **(PREVIOUSLY PRESENTED)** A computer-readable medium having computer-executable instructions that, when executed by a computer, performs a method for facilitating the ease of handling and exchange of digital  
5 images, the method comprising:

collecting images into a self-contained album, wherein one or more of the collected images have a digital-image format that differs from the digital-image format of one or more of the other collected images;

10 converting one or more of the collected images into a common digital-image format so that all of the collected images have the same common digital-image format;

inserting computer executable instructions for viewing the collected images.

15 14. **(ORIGINAL)** A computer-readable medium as recited in claim 13, the method further comprising transmitting the album over a communications network.

20 15. **(ORIGINAL)** A computer-readable medium as recited in claim 13, the method further comprising:

attaching the album to an email message;

transmitting the email message over a communications network.

16. **(CANCELED)**
